

Avoid a Nightmare with our Used Car Inspection Service

We give the vehicle a thorough 2½ - 3 hour detailed Inspection.

- We look over every system on the vehicle!
- We will give you a digital pictures to use as bargaining power!
- Our ASE Certified Master Technician will explain everything we find in language you will understand!

**Then you will be fully prepared to negotiate a good price
or avoid a nightmare!**

- You can't use price to gauge the condition of the vehicle.
- We've seen vehicles being sold for \$3000 that are a Great Buy... and we've seen \$14,000 vehicles that would be a nightmare!
- We can't stress how important it is to have thorough inspection *before* you buy it!

REMEMBER:

Most cars are sold because the present owner doesn't want to put anymore money into it... whether this includes repairs or maintenance service... it almost always needs something. Be a informed buyer... know what you are getting yourself into *before* you spend your hard earned money.

How Much Does It Cost?

In reality it cost nothing!

Most customers recoup the cost of this service because, Private owners will reduce the purchase price and Dealerships that will reduce the price or if they have their own service department they will do the repairs &/or maintenance work free of charge.

- We charge \$135.00 for 2 wheel drive vehicles
- \$160.00 for 4 wheel drive vehicles
- Turbos are \$25.00 extra.
